

Colloquium for Analytical Chemistry and Water Chemistry
Summer Semester 2022

Invitation to the TUM IWC Lecture

„Deep diving into the complex nature of (brain) water in search of markers of disturbance - technologies that connect limnology to neurology”

Prof. Jonas Bergquist - Uppsala University, Sweden

Analytical Chemistry and Neurochemistry at the Department of Chemistry - BMC

Wednesday, 6th July 2022, at 15:00 h
Seminar room CH36220, Chemistry Building, TUM Garching

Topic: TUM IWC colloquium SoSe2022
